

Knowledge Hub enables public service organisations to share information and learn from each other.

Save money by tapping into a virtual knowledge bank and stopping repetition.

Support your employees' growth through online communities of experts; exchanging ideas, insight and experience.

KHub fast facts

- **155,000+ members**
- **5000 public sector organisations**
- **2,000+ groups**
- **5,500 social interactions per month**
- **80 countries represented**

Better stakeholder engagement

Digital networks provide your organisation with your own branded 'slice' of Knowledge Hub for use as an external open network of groups (extranet), a private social intranet or a mixture of the two.

Save time & money

- avoid duplication
- reduce IT & infrastructure costs
- improve efficiency

Extend engagement

- connect & share with peers
- break down silos
- create a collaborative culture

Build brand profile

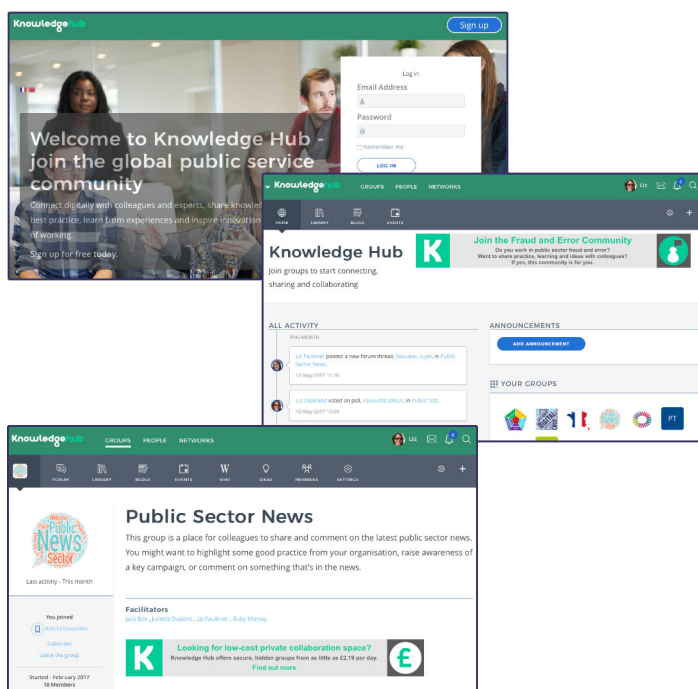

- raise reputation & awareness
- engage with partners, suppliers & communities
