**Subject:** Investigation into breach of Tobacco & Related Products Regulations

Dear Michael,

I trust this email finds you well.

I am writing to you with regards to the presence on the market of tobacco products with a menthol characterising flavour which potentially breach the Tobacco & Related Products Regulations (2016) and the investigation into these products being led by Public Health England.

Please find attached a letter outlining in more detail our latest concerns on this matter (dated 3 September), as well as our previous correspondence on this issue with PHE. I would be grateful to hear back from you on this issue. Please do let me know if we can provide any further information.

Kind regards,
