

A virtual meeting was held on Tuesday 6 December 2022 at 3pm between [REDACTED] [REDACTED] from Oliva Cigars and [REDACTED] from the Tobacco and Related Products Regulations, UK Competent Authority, the Office for Health Improvement and Disparities. The meeting was to discuss the new way to securely send information.

A discussion was held on how MS Teams must be used by tobacco and related products suppliers to the UK to send submission documentation and information to the Competent Authority from 12 December 2022 onwards.
