Thank you for your letter to Jonathan Marron.

As you will know, e-cigarettes are regulated by the Tobacco and Related Products Regulations 2016 requiring notification to the MHRA. We are discussing these issues with the MHRA and the relevant enforcement agencies.

As you will be aware, the UK government is required, under Article 5.3 of the WHO Framework Convention on Tobacco Control, to protect public policy from the commercial and other vested interests of tobacco companies. As such, we will be publishing this correspondence.
