Dear [redacted],

You previously received correspondence on 23 September from the Department of Health and Social Care regarding your congratulations on the Department's Ministerial appointments. I apologise for the delay in replying.

As you will be aware, the Government is required, under Article 5.3 of the World Health Organization Framework Convention on Tobacco Control, to protect public policy from the commercial and other vested interests of tobacco companies and therefore our previous response was sent in error. The Department will be publishing this correspondence, our previous correspondence and your original correspondence.

Yours sincerely,

Ministerial Correspondence and Public Enquiries
