Thanks [REDACTED]

I won't be able to attend but a member of my team will come and observe if that's OK. We will provide a name shortly.

Dear Martin

Just a quick courtesy email to check that the invitation I resent on Tuesday had reached you – and to see if you are able to accept?

We have secured a number of excellent attendees already and your involvement would really add credibility to the meeting and what we are trying to achieve

Many thanks

Hi Martin

Sorry for the delay I have been out of the office with no email contact.

Please see attached the invitation as requested. Look forward to hearing from you (an agenda is being drawn up but in summary, the meeting will be designed to discuss the smoking cessation

services and views on how an integrated approach can be achieved as set out in the Tobacco Control Plan for England)

Kind regards

Hi ██████████. I have not had my full pa support lately and it has been an extraordinarily busy time. To make things worse I am in a two day meeting at NICE. Would you mind terribly getting the invitation sent again.

Dear Martin

It was great to be able to introduce myself to you at the e-cig summit and I hope we will be able to work with PHE on improving smoking cessation rates.

The letter I have written to you is currently going via an internal review process and I hope will be with you shortly. On another note, I wondered if you had received the invitation to the Policy roundtable event timetabled for 24 Jan that was sent by our logistics agency last week? And if so I am wondering if you will be able to attend? Happy to discuss further if of benefit.

Look forward to hearing from you
