

## DDaT Profession group on Knowledge Hub

Hi,

At the moment the group is designed for individuals implementing the Capability framework in organisations (I.e. Capability Leads, HR Business Partners, Pay Leads etc.).

If your interest is wider than your own personal perspective (for example, if you are one of your organisation's Heads of Community/Practice), then do email [ddatprofession@digital.cabinet-office.gov.uk](mailto:ddatprofession@digital.cabinet-office.gov.uk) and cc your main DDaT contact in your organisation.

However, it is great to hear that you are keen to keep up to date with what is happening in the DDaT Profession. We are always working to try and improve things for our users wherever we can, so would welcome your feedback.

In the meantime, do use as a reference point:

- the DDaT Profession section of Gov. UK:  
[www.gov.uk/government/organisations/digital-data-and-technology-profession](http://www.gov.uk/government/organisations/digital-data-and-technology-profession)
- Sign up to our Capability note for monthly DDaT Profession updates:  
<http://eepurl.com/dBHCpn>
- If you are a DDaT Professional, you can also connect up with fellow professionals doing your work in cross-government communities of practice via the [ukgovernmentdigital.slack.com](http://ukgovernmentdigital.slack.com)
- Updates about the DDaT Profession at: The Digital People blog at [digitalpeople.blog.gov.uk](http://digitalpeople.blog.gov.uk)
- The Digital Careers tweets at [twitter.com/DigiCareersGov](https://twitter.com/DigiCareersGov)

Best regards,  
The DDaT Profession team, GDS
