

Public Health England

Welcome to the latest issue of the weekly Obesity Knowledge Update from Public Health England. This bulletin highlights new research relating to obesity and its determinants.

Please note: During the pre-election period we are unable to publish our regular weekly Obesity Knowledge Update eBulletins. Therefore this will be the last issue of the Obesity Knowledge Update before the general election. The next issue will be sent out after a new government is formed.

If you do not wish to receive further Obesity Knowledge Updates, please [click here to unsubscribe](#). You will continue to receive other Obesity Intelligence emails (notification of new resources etc.).
