

# Armchair Astronomy

Free online sessions for adult community groups from the  
Royal Observatory Edinburgh

Learn more about the incredible story of the Royal Observatory Edinburgh and the hidden world of engineering and astronomy on Blackford Hill, through conversation, relaxed activities and exploration of objects from the past and present.

## Your group will take part in activities including:

- An introduction to the story of the Royal Observatory Edinburgh
- Virtual Stargazing
- A Space Quiz
- Exploring objects and photographs from the history of the observatory

**Limited spaces, so get in touch to book!**
