

EDINBURGH

YOUNG CARERS

WHAT DO WE DO?

We are a charity that helps children who care for someone they love. If you join Edinburgh Young Carers you can try lots of exciting new things.

HAVE A CHAT

We are a safe space where you can talk about being a young carer, if you wish to, and an adult will always listen and try to help.

MAKE NEW FRIENDS

Everyone is a young carer and is really friendly. You can come along to group activities after school and meet people just like you!

TRY NEW THINGS

What do you like to do? Sports, arts and crafts, making music or cooking? You can try lots of fun new things with Edinburgh Young Carers.
