A screenshot of a web browser showing the Knowledge Hub website. The address bar displays 'https://knowledgehub.local.gov.uk/home'. The page features a purple header with 'Knowledge Hub | Local Government Association' and a main section with the title 'Knowledge Hub' and the tagline 'Connect · Collaborate · Learn · Innovate'. Below this are three main sections: 'Groups' (Create groups for your projects or shared interests), 'Connections' (Connect with people and expand your knowledge network), and 'Events' (Share and attend events that are relevant to you). There are also icons for 'Activity' and 'Sharing'. At the bottom, there is a 'social' section with '102 members'.
